

Project # SANDRESM1 | Borough: Manhattan | Issue Date: 04/29/2022

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Con Edison Utility Work in East River Park at Greenway Continues North Ongoing until further notice

Under the ESCR project, Con Edison utility line upgrade work continues in ERP along the Greenway north to E. 10th Street. Park access points are located at E. Houston, E. 6th and E. 10th Streets pedestrian bridges. Access to Track & Field and restroom areas will be maintained. Please follow the signage.
